

Alumni Association

July 19, 2020

Because of the Corvid-19 Virus the following will happen this year.

There will not be a dinner due to Covid-19 considerations.

The golf outing on Tuesday, September 15 with a 10:00 am shotgun start is still taking place. There will be a cash beverage cart available on the golf course.

Cost per golfer will be \$50. This will include golf/cart; range balls; hot dog, chips, pop and water at the turn; and beer, pop, water and snacks at a cocktail part for one and one half hours after golf, to be held inside and outside on the patio, weather permitting. A cash bar for wine and liquor will be available. Alumni wishing to just attend the after golf cocktail party may for an \$8 charge. Those alumni having already paid \$80 will receive a refund of the difference or a full refund should they decide to not participate.

If individuals request to ride a cart alone, it will be based on availability and pay an additional \$6. Salem Hills cannot guaranty in advance that enough carts will be available for that, as it will be based on the number of golfers on the course that day.

Those wishing to golf or attend the cocktail hour will need to pay and register by August 10, 2020 so we can confirm the number of golfers with Salem Hills
